

A FRIENDLY REMINDER ABOUT
TWO NOT-SO-FRIENDLY DISEASES.

IT'S BEEN ALMOST A YEAR SINCE YOUR
LAST CERVICAL AND BREAST CANCER EXAM.
DON'T LET IT GO ANY LONGER.

Dear _____,

It's been almost a year since your last breast and cervical cancer screenings. Nearly 45,000 American women will die from breast and cervical cancer this year, a number that can be significantly reduced through regular screening exams.

So please take the time to schedule your screening appointment by calling the location nearest you.

Thank you.
